

BEULAH BEACON

EXODUS

By Pastor Hae Rin Lawson

Youth and Young Adult’s Sunday School is studying the Book of Exodus. We are learning about Moses. Did you know that Moses is not a Jewish name? The Egyptian Pharaoh’s daughter named him Moses, which means, “I drew him out of the water” (Exodus 2:10). Moses means that she snatched him, fished him, found him, dragged him, took him out of the water. When Moses was born, all the Hebrew baby boys were being killed. “The Pharaoh gave this order to all his people: ‘Every Hebrew boy that is born you must throw into the Nile but let every girl live’” (Exodus 1:22).

I would never be mean to a child, especially to a baby. People do not realize how much God obsessively loves God’s little children. Jesus clearly said, “Let the little children come to me and do not hinder them, for the Kingdom of Heaven belongs to such as these” (Matthew 19:14). To hurt children, is to hurt the very Kingdom of God. I fear God to much to be cruel to children.

God sent ten plagues to Egypt because of Pharaoh’s disobedience. However, the Pharaoh received the worst punishment for killing God’s precious children. God said, “and I told you (Pharaoh), ‘Let My son go, so he may worship ME.’ But you refused to let him go; so I will kill your firstborn son” (Exodus 4:23). I believe the pain from losing a child is one of the most painful experiences. There are names for everything. The one who lost a husband is called a widow. The one who lost a wife is called a widower. The one who lost parents is called an orphan. However, there are no words to express the one who lost a child. People need to really know that they absolutely cannot mess with God’s children, especially the little ones.

Well, the Pharaoh thought that if he kills all the baby boys, the Israelites will not have a proper leader to guide them in their future. He wanted to make sure that all the Israelites would stay under his control completely. Praise the LORD that the Almighty and All-Powerful God Is our God. I find this so amazing. A Jewish baby boy was found by an Egyptian princess. She paid money to a Jewish woman to raise Moses until he was old enough to eat solid food, not knowing this Jewish woman was Moses’ biological mother (Exodus 2:7-9). So, Moses’ mother received monetary support from the enemy’s daughter to raise her son, who will one day become a leader of Israel to lead all God’s people out of Egypt to the Promised land.

Moses grew up in the palace of Egypt educated in all the knowledge which Egypt had to offer. The Pharaoh spent a lot of effort to raise Moses to be the proper and the powerful leader of Israel, not knowing that one day Moses will come against Pharaoh’s own son, ruining Egypt. His son would be defeated to the point where his son’s name will be erased from their history books because of the shameful defeat and destruction of Egypt by the God of Israel.

If Moses died as a baby, just maybe, the Pharaoh’s son would not have been defeated so tragically. However, God placed Moses in the hands of Pharaoh to raise Moses properly to develop him to be the powerful servant of the LORD God. God used the greatest, the most powerful enemies to raise up the deliverer of Israel. As Korean people say, “You raised a kitty not knowing it was a tiger who will destroy you one day.” The Pharaoh cannot blame anyone but himself. Because of cruelty, the Pharaoh practiced on God’s people, especially to those little babies, his children and their children suffered greatly. He did it to himself and to all his very own children.

It seems that people these days take God way too lightly. They long for a cool Buddy God who would not only accept them as they are but also ignore all their sins. I had a young man at one of our previous churches tell me, "I fired this righteous and justifying God who is scary. I hired a new God who only loves me. No matter what I do, my God will always tell me, You are wonderful. You didn't do anything wrong. I love you no matter what you do." I think he represents many people of today's society where social justice rises above the Gospel of Jesus.

We are living in a culture where the Bible cannot be the Word of God because God's Word written in it goes against what those people practice. To ignore God's Word is to ignore Jesus. The Bible tells us, "In the beginning was the Word, and the Word Was with God, and the Word Was God...The Word became flesh and made God's dwelling among us. We have seen the glory, the glory of the one and only Son, who came from the Father, full of grace and truth" (John 1:1, 14). According to the Bible, the Word of God Is Jesus. How can you call yourself a Christian if you ignore God's Word, Who Is Jesus? You put your trust in God through trusting what God has promised in God's Word.

God has your back when you trust and obey God's Word. The Bible tells us, "The LORD will grant that the enemies who rise up against you will be defeated before you. They will come at you from one direction but flee from you in seven" (Deuteronomy 28:7). If you put your faith in God's Word and live in obedience to God's Word, God will raise up your enemies to bless you tremendously as God did through Moses. Trust in the LORD. Trust in God's promises. Live out what God told us through the Bible. "Taste and see that the LORD is good." Because "Blessed is the one who takes refuge in the LORD" (Psalm 34:8). Praise the LORD! Amen!

O taste and see that the Lord is good: blessed is the man that trusteth in him.

-Psalm 34:8

- 84% of pastors feel they are on call 24/7.
- 80% believe pastoral ministry has negatively affected their families. Many pastor's children do not attend church now because of what the church has done to their parents.
- 65% of pastors feel their family lives in a "glass house" and fear they are not good enough to meet expectations.
- 78% of pastors report having their vacation and personal time interrupted with ministry duties or expectations.
- 28% of pastors report having feelings of guilt for taking personal time off and not telling the church.
- 66% of church members expect a minister and family to live at a higher moral standard than themselves.
- 90% of pastors report the ministry was completely different than what they thought it would be like before they entered the ministry.

- 35% of pastors battle depression or fear of inadequacy.
- Over 50% of pastors state the biggest challenge is to recruit volunteers and encourage their members to change (living closer to God's Word).
- 70% of pastors report they have a lower self-image now than when they first started.
- 70% of pastors do not have someone they consider to be a close friend.
- 57% of pastors feel fulfilled but yet discouraged, stressed, and fatigued.
- The profession of "Pastor" is near the bottom of a survey of the most-respected professions, just above "car salesman".
- Only 1 out of every 10 pastors will actually retire as a pastor.

Beulah Church has been blessed with three pastors who are willing to lead us faithfully according to the word of God. They have been gifted with an overwhelming kindness and patience, a servant's heart, and the Holy Spirit. Many people have not seen the "hats" they wear behind the scenes. The life of the pastor is more than just preaching on Sunday morning and shaking hands. During the week they made house visits, hospital visits, meet with families in distress, traveled with students for college tours, prayed for the church and the individuals in the church, helped clean the church, helped make repairs to the church, planned for events, taught a study, and prepared a meal for someone else (and in some cases physically feed someone). They do so much for all of us and we are blissfully unaware of it.

October is Pastor Appreciation month and on **Sunday, October 20** we will be celebrating our pastors. Please take the time to acknowledge the pastors at Beulah for all their dedication to sharing the word of God with us. They continue to serve us so faithfully and go "above and beyond" in so many ways to be a blessing to us. SPRC would like to encourage everyone to please consider writing a note of appreciation or words of encouragement, giving a small token of appreciation (i.e., gift cards) or even homemade baked goods to Pastor Don, Pastor Hae Rin, and Pastor Norma during the month of October to show our appreciation for all that our pastors do! If you would like to send an expression of your appreciation to the pastors you can mail them to P.O. Box 37098, N. Chesterfield, VA 23234 or you can leave it in their mailboxes in the church office.

MUSIC NOTES

The hymn story that I would like to share with you for the month of October is "Standing on the Promises".

"Standing on the Promises" was written by Russell Kelso Carter. He was a professor of chemistry and mathematics at the Pennsylvania Military Academy. While there, he had a crisis concerning his heart. Doctors said they couldn't do anything for him. He was only thirty. He asked God to heal him and promised him that he would be committed to serving him. God answered his prayers, and he lived forty-nine more years and became a medical doctor. He wrote "Standing on the Promises" to show the faithfulness of God.

BLANKET DRIVE FOR INTERNATIONAL RESCUE COMMITTEE

Alien definition: a foreigner, especially one who is not a naturalized citizen of the country where they are living. In Numbers 15: 15 it says: "The community is to have the same rules for you and for the foreigner residing among you; this is a lasting ordinance for the generations to come. You and the foreigner shall be the same before the LORD."

The International Rescue Committee (IRC) is an international humanitarian aid nonprofit that works in crisis response, recovery, development, and advocacy. In the USA and United Kingdom, the IRC operates a network of resettlement field offices, helping individuals who have fled violence and conflict to build new lives in these countries.

IRC supports newly arrived clients through a variety of programs including case management, connecting them to employment, building financial literacy, enrolling children in schools, providing English language and cultural orientation classes, delivering enrichment and engagement programming to youth clients, assistance with immigration services, and more!

The federal government supplies basic supplies to them; however, these include sheet sets and bedspreads but no extra blankets for cold weather. We will be collecting blankets to help these people feel warm in their new environment. Please consider adding a NEW blanket, Twin size, to your shopping lists. This drive will run through **Sunday, October 27**. They may be dropped off any time in October in the box in the narthex. Thank you for thinking of others less fortunate.

Asher-straight Yashir-correct, right

What are the Hebrew words for "straight" and "right", meaning "correct"? They would be "asher" and the more modern "yoshir(yosheer)". They can also read to the English as "joyful" and "blessed". Why might this be important to us as Christians and as Gentiles?

We're heading toward Yom Kippur, often seen as the holiest day on the Hebrew calendar. It is a time of repenting and a return to the righteous worship of God, referred to as "teshuvah". But what does that mean? To be called "righteous" we not only should be "right" with God, we have to be straight, honest with Him. We seek Him in His Word. Our own integrity is wrapped and clothed in His integrity. Beginning to sound a little familiar?

Remember that "asher" and "yashir" can also be read as "joyful" and "blessed". It would seem then that to follow a life that is joy and blessed we should seek God in His Word and in our lives. The road to joy is found in righteousness, being right with Adoni. We read His Word and make it a way of life. Baruch Ha Shem. Blessed be the name.

UWF MISSION WITNESS

The Daily Prayer Guide is published annually by United Women in Faith. It invites us to pray as one people responsive to God's call to relationships of caring, connecting and healing the world of uncertainty in all but in the love of God. Each month we share a testimony from a person in mission for Christ through the United Methodist Church.

Scripture for the Month

I have asked one thing from the Lord – it's all I seek to live in the Lord's house all the days of my life, seeing the Lord's beauty and constantly adoring his temple.

--Psalm 27:4

Witness

Here in Argentina, we just held a memorial service for Sandy, an 80-year-old woman who died in England. She was a woman of deep faith who confided in me that she prayed daily for her daughter and her family. I assured her that God was at work in her daughter's life. About two weeks after that conversation, I received this note from Sandy's daughter.

I want to let you know what incredible changes have been happening for me since coming to the church. I pray every day, a lot of the day, on my own, for the boys, with the boys.... I hadn't felt really happy or like a good person for a long time. Now I feel so lucky to have my amazing boys and I see how precious they are. I feel lucky and see again all the great things in my husband and have found a new love for animals and strangers that I had forgotten about. I pray every day for an opportunity to help someone out. I feel great changes and I feel so blessed.

Two years later, the memorial service for Sandy filled the sanctuary, but not so much with admirers of Sandy, but of her daughter, who is a beacon of Christ's love.

RMD

2024 is quickly coming to a close with only three months remaining. It's time to start thinking about filing taxes. If you are required to take a Required Minimum Distribution (RMD) from your IRA account, please consider Beulah Church as the non-profit recipient.

To avoid taxes, the custodian of the funds (investment company) sends the check directly to Beulah Church, PO Box 37098, N. Chesterfield, VA 23234. See IRA Publication 590-B or visit IRS.gov for more information regarding IRA distributions.

Some of our members have elected to have RMD's sent directly to Beulah Church monthly, bi-monthly, quarterly, or semi-annually rather than once a year. We really appreciate this since we have many monthly bills to pay such as utilities, payroll, building maintenance, worship supplies, etc. Do not hesitate to contact a member of the Finance Committee if you have any questions. AVOID TAXES ON YOUR INCOME!!!
